

**Speaking Notes by the Sedibeng District Municipality, Executive Mayor
Cllr. Mahole Simon Mofokeng on the occasion of the 22nd Special
Meeting of Council held in Vereeniging, Sedibeng, on the
20th April 2011.**

Madam Speaker: Cllr Kedibone Mogotsi

All Members of the Mayoral Committee

All Councillors

Esteemed Community of Sedibeng

I welcome you all at this Special Meeting of Council. We are a very privileged lot today. We are the host of many an honoured guests today as we prepare to host people coming from far and wide.

We are expected to bring our best foot forward, stand up to be counted as one of the most gracious hosts our visitors shall have had in a long time. This will ensure that they are quick to come back and visit again.

Madam Speaker, it is just as well that the pots are on the boil, the tables are set and the stage is set for the presenting of the State of the District later today. I hope this will urge us to move with speed so that we are able to provide our guests with the warm welcome we have become famous for.

It is with this in mind, as well as the business at hand, which will mark the countdown to the end of this political term, that I call for resolution of the matters at hand.

Looking at the long day ahead of us, I wish to take no longer than is absolutely necessary. I am looking forward to see you again in a short period of time, to that end:

With the powers vested in me, I do hereby place the following agenda items for your attention:

- Performance Bonuses: 2008/2009 and 2009/2010 Financial Years (Excluding Section 57 Employees)
- Municipal Public Accounts Committee (MPAC) oversight recommendations on the Annual Report 2009/10

I Thank You.
