

Sedibeng District Municipality

SPECIFICATION: 8/2/5/1-2011

SPECIFICATIONS: TO PROCURE SILK SCREEN EQUIPMENT

DESCRIPTION

1. Purpose

To request for Quotation to procure Silkscreen equipment for the implementation of silk screen training as part of the arts and craft programmes at Sedibeng district municipality.

2. Background

Sedibeng District Municipality is establishing the cultural precinct as stated on the IDP and the art and culture hub will form part of the precinct. A council resolution was signed to receive funds from the Provincial department of Sport, Arts, Culture and Recreation to establish the craft satellite hub at Sedibeng district municipality and to implement art and craft programmes in the district and to conduct skill training programmes on continuous bases aligned to the Sedibeng school of the art strategy.

The silk screen program is targeting to train 2 groups of 10 candidates totaling to 20 trained participants per annum, who will use the facility as production space to meet the market demand. The targeted incumbents will be recruited across the district giving preference to unemployed youth, women and people living with disability.

The silkscreen equipment supplied should be fitting with the needs of the market in the silk screen field. Candidates bidding should prove to have the capacity to supply equipment that can align with various market related production and provide a catalogue or visuals of the equipment with measurements and be able to offer after service to maintain and support the programme e.g. setting up of machines and demonstrate how to use the equipment etc.

Equipment supplied should serve as the production capacity (Hub) for qualified silkscreen printers who want to start their own businesses to be able to supply required orders and for artists trained in silk screen printing to print their artistic products. The equipment should enable the users to print on cloth, plastic zinc and other mediums and products that are on demand particularly by the government market e.g. pens, caps, T-shirts etc.

3. Partners

Provincial Department of Sport, Arts, Culture and Recreation, Sedibeng District Municipality Sedibeng tourism and Local Economic Development and MAPPP seta.

Deliverables

- Purchase silk screen equipment on behalf of the Sedibeng district municipality.
- Establish working/production spaces for 10 X 2 participants who will be trained on silk screen per annum.
- Liaise with project manager to allocate appropriate space at Sedibeng district municipality.
- Design and place equipment for efficient silk screen production.
- Develop workshop rules and production program and culture.
- Report and communicate with Sedibeng to sign off on equipment.
- Equipment use to develop limited addition creative products and small scale orders.

4. Evaluation criteria:
